

# *Cheers to 20 Years!*

## A Message from Sanna:

It is very exciting to be celebrating this milestone! I am ever so grateful to George Slape, for without him, 1031 Asset Exchange would never have come to be. The incredible support from our friends in the Bend and surrounding communities made this business thrive from Day 1. Thank you to 1031 CORP. for keeping my “baby” going strong. I never doubted you were the right partner!

While I wish I could be there to celebrate with you, Chuck and I are enjoying living in the South of France. We are spending our retirement cycling quiet roads, hiking in the fabulous Pyrenees mountains, and skiing our local slopes and trails.

Thank you for making 1031ae and 1031 CORP. so successful. We could not have done it without you!
